

Introduction

About us

MultiChoice is Africa's leading entertainment and services platform with a footprint spanning 50 markets across sub-Saharan Africa and adjacent islands, 21.8 million subscribers, and almost 40 years of video industry experience.

Our purpose is to enrich lives – not just through our services, but by using our powerful network to grow and develop our communities and the broader entertainment industry through community upliftment, talent discovery and development, support for sports codes and entrepreneurial support.

Our core values
